Welcome to Ye Olde Fighting Cocks

The Kitchen Team at Ye Olde Fighting Cocks have put together what we believe to be an exciting new Menu. The goal is to blend Modern Dishes with the Classics to create something for Everyone.

If you have any allergies or Food Intolerances please speak to your Server for further information. If you need a Gluten free diet, then again ask your server as many of our dishes can be prepared GF.

All the burger Buns, whether they are Brioche or Sesame Seed are both Vegetarian and Vegan

Whilst we take care to preserve the integrity of our vegetarian (ve) products, we must advise that these products are handled in a multi-ingredient kitchen environment. Some fish may contain small bones. All dishes are prepared in areas where allergens are present. Therefore, there is a risk that ingredients used in your meal may have accidentally come into contact with an undeclared allergen, leading to cross contamination. Cooking equipment (e.g. fryers, grills etc.) and food preparation areas may be shared and fried items containing different allergens may be cooked in the same frying oil.
